### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: Claims 1, 6 and 8 are allowable because none of the prior art of record discloses: a plurality of light sources staggered to a predetermined circular arc that surrounds the lens for reading an image, some light sources of said plurality of light sources being supported at predetermined angles with respect to a normal from the support board to be tilted toward an inside of the circular arc and remaining light sources of said plurality of light sources being supported at predetermined angles with respect to the normal from the support board to be tilted toward an outside of the circular arc; a first plurality of light sources located on a first circular arc that surrounds the lens for reading an image, a second plurality of light sources located on a second circular arc that has the same center as that of the first circular arc and a radius larger than that of the first circular arc, wherein said first plurality of light sources located on the first circular arc are located at positions separated from radii drawn from said second plurality of light sources located on the second circular arc.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
